This set of songs is meant to be cut out and each page placed within a 9.5 x 5 inch piece of laminate. I use a letter size pouch of laminate, place pages within it, then cut after laminating. I punch 2 holes along the left side, then join the pages with split key rings. The pages are lined up in this PDF so you can do 2 sided copies. The following is the order of the pages when assembled.

Thank you Lord!

Have a wonderful time sharing these songs with young children who are learning to play on the xylophone!

You noticed I added Bible verses on the pages. I don't like to waste laminate, so when I laminate these pages, I also am making bookmarks!
